	the research group is to investigate the cultural representations of
	the Historical Memory in the fields of Basque culture and the Iberian
	area of the 20th and beginning of the 21st centuries. Topics such as
	the representation of the Civil War and ETA terrorism, the pedagogy
	of historical memory among primary and secondary school
	students, the transmission of traumatic memory, Franco's
	censorship are some of those that the group has analyzed so far.
Motivation:	The value of education for peace is one of the mottos and objectives
	of the group, and in that sense, we have been working on the
	preparation of educational material on terrorism and war to use in
	the classroom. Most of the members of the group are professors of
	the faculties of education of the University of the Basque Country
	and we would love to establish contacts and collaborate in projects
	in the field of education and historical memory.
