

**I am willing to stand as a candidate for the Board of EUROCLIO:**

**My short CV:**

I was born in Iceland in 1962 and graduated from the University of Iceland as a historian and teacher of history and political sciences. Teacher in Menntaskólinn við Sund (Upper secondary school/gymnasium) since 1989. Head of the history department and director of Social Sciences 2001-2009 at the same school. Member of the board of the History Teachers Association of Iceland. Teacher trainer from 1996. I have organized many In Service Teacher Training seminars both in Iceland and abroad for history teachers and sociology teachers. I have also done a lot of work with the my trade union for the last 20 year, where I have held many elected posts and still do.

**I would like to contribute to the work of EUROCLIO through:**

My involvement with Euroclio started in 2002 through participating in annual conferences and in since 2010 I have been involved in the Historiana project. So I got some insight in how Euroclio works. As a class room teacher I think I have something to offer as a board member. I would like to see more possibilities for class room teachers to cooperate and be able to take part in seminars, conferances, meetings and in all kinds of cross country cooperation. I have an experience in participating in associations and I am a team worker.
