Career

Since 1994: active in the Committee of Teacher Trainers of the VGN (Dutch History Teachers Association) I became president in 1996. In this committee I organized national seminars for Teacher Trainers and I wrote articles about history education for the magazine "Kleio.

2002- 2008: member of the Board of the VGN. In the Board I committed myself to good history education in Teacher Training and in primary education.

Since 2006: teacher trainer for history in primary education at the Fontys Hogescholen in 's-Hertogenbosch. Providing history modules and supervising internships in primary schools in the region. Alongside my teaching I run a number of coordinating tasks in my University.

Before 2006: teaching in schools for secondary education including schools for children with special needs and in several Universities for teacher Training.

Since 2008: International Representative of the VGN and coordinator for the Annual Conference of Euroclio in Nijmegen in 2010.

2010: Elected in the EUROCLIO Board. I became Treasurer and since 2012 also Vice-President.

2012: Start PhD on Improving the understanding of understanding of historical time for pupils ages 6 – 12, with a grant from NWO (The Netherlands Organization for Scientific Research)..

I would like to contribute to the work of EUROCLIO through:

In the EUROCLIO Board I contributed to the new organizational structure with new Statutes and Internal Rules for the association and the new foundation "Friends of Euroclio".

As a Treasurer I'm responsible for the Finances of the Association. Every 8 weeks there is a meeting of the Finance and Government committee, in which also the Secretariat and Erwin Capitain participate.

I contributed to the development of a new Membership Fee System and I regularly update the members of the Audit Committee about EUROCLIO's financial situation.

In my first term as a Board Member I gained a lot of experience as a Board Member and I hope that the members will give me their trust to go on three more years in the Board to contribute to EUROCLIO in exploring new opportunities for the future.
