Activities of your Organisation

<p>Association for Social Studies Educators (ASSE) does scholarly inquiry related to social studies education, and to cooperate with other educational and scientific organizations to influence educational policy. ASSE also plan to do following activities:</p> <ul style="list-style-type: none">-carrying out national and international educational research,-arranging scientific meetings such as workshops, panels, seminars, symposiums, conferences, etc. in the field of Social Studies Education,-Publishing an International academic journal

Aims of your Organisation :

<p>Association for Social Studies Educators (ASSE) is a national organization of educational researchers committed to the improvement of theory and practice in Social Studies Education through research. ASSE aims to advance knowledge about educational research, to encourage scholarly inquiry related to social studies education, and to cooperate with other educational and scientific organizations to influence educational policy. Furthermore, the association also aims at carrying out national and international educational research, and arranging scientific meetings such as</p>

workshops, panels, seminars, symposiums, conferences, etc. in the field of Social Studies Education. Furthermore, ASSE aims to determine the standard of educational research in the following sub-disciplines of Social Studies Education:

1. Global Education
2. Civic Education
3. Educational Programs and Instruction
4. Democracy and Human Rights Education
5. History Education
6. Geography Education
7. Multicultural and Intercultural Education
8. Technology Supported Social Studies Education
9. International and Comparative Social Studies Education

Another aim of The ASSE is to index the social studies related journals published in Turkey on educational research and constitute within its body an excellence center equipped with the technology, data bases, web sites and indexing programs which are essential to perform academic studies in the field of social studies education. Determining ethical standards for educational research and implementing membership and cooperation with international associations are also among the Association's aims
