European Development Plan

Aim: framing the internationalisation and modernisation objectives of the school within the proposed project.

It includes **identification of needs**, **outlining of plans**, and **integration of the project in the strategic development** of the school.

Elements European Development Plan

- Foreign language competences
- Raising awareness and understanding of other cultures and countries
 - Build networks of international contacts
 - Develop a sense of European citizenship and identity
- Involving partner organisations active in different fields or sectors
- Better recognition of competences

! Important: Dissemination (30%)

- The quality of **measures for evaluating the outcomes** of the project.
- The potential **impact** of the project:
 - on individual participants and on the participating organisations during and after the project lifetime;
 - outside the organisations and individuals directly participating in the project, at local, regional, national and/or European levels.
- The **appropriateness and quality of measures** aimed at **disseminating the outcomes** of the project within and outside the participating organisations.

Include EUROCLIO activities

Include your participation in EUROCLIO activities:

- **Active involvement** of history and citizenship teachers of the school to the EUROCLIO International Training Programme through **participation in international training courses** for history, heritage and citizenship educators.
- **Exchange of information and practices** with the EUROCLIO network of teachers from over 30 countries in Europe.
- Integration to the **Historiana Community of Schools testing and piloting** of educational resources developed within EUROCLIO cross-border projects and contributing to the development of www.historiana.eu.

What is covered with the grant?

- **Travel costs** in lump-sum, depending on distance
 - http://ec.europa.eu/programmes/erasmus-plus/tools/distance_en.htm
- **Organisational support (€350 per participant)** linked to implementation, such as pedagogical/intercultural/linguistic preparation, monitoring&support, validation learning outcomes, dissemination activities
