## Assignment 2

The questions to be answered are:

- Which of the named characteristics of nationalism can be found in the source(s)?
- Explain the nationalism in the source by putting the source in its (historical) context. What is/was going on? Use the written information on the source sheet.
- You can say that in football we have 'political' nationalism and just 'football' nationalism. Describe in your own words what you think is the difference.
- Is your source an example of 'political' or 'football' nationalism? Explain!
